HAPPENINGS ABOUT CITY TOLD IN BRIEF

An excursion was given to Marshall Hall today by the Dreadnaught Athletic Club.

Ernest Simpson has sold to A. T. Courtney and wife ahouse and lot on the east side of Lee between Gibbon and Franklin streets.

Mrs. Albert Downey Schlag, who was recently operated on at Providence Hospital by Dr. George Tulley Vaughan, has recovered and returned to her home in this city.

A meeting of the collaborators of the Virginia War History Commission will be held at 10:30 o'cock tomorrow morning in the rooms of the Chamber of Commerce.

Miss Ada Jackson, of New York, is the guest of her cousin, Miss Alice Gronau, at her home, 232 North St. Asaph street.

A slight fire in the rear of a dwelling house in the northeastern section of the city last night shortly after midnight brought out the fire department.

Mr. Ernest T. Mawyer and wife have purchased the property No. 226 North Patrick street, through the office of E. E. Carver and Company.

The regular weekly prayer meeting will be held at 7:30 o'clock this evening, at the Anne Lee Memorial Home for the Aged, corner Fairfax and Cameron street.

Miss Sarah Noyes, a former resident of Alexandria, died Monday at Southington, Conn. She was eighty-three years old and for the past half century had been employed in the Patent Office, Washington. Her funeral was held yesterday at Southington.

During the progress of a fight last night on South Washington street, in which several men are said to have been involved, one man was hit over the head and sustained a scalp wound which was treated by Dr. M. D. Delaney at the Alexandria Hospital. The police are investigating.

CARD OF THANKS

We wish to thank our many friends and acquaintances for their kindness and sympathy shown us in the death of our husband and father, James F. Bradfield, and also for the beautiful floral tributes.

Mrs. J. F. Bradfield and family.

BARACA WINS

The J. R. N. Curtin Baraca Class team handed a stinging defeat to the H. K. Field Bible Class outfit of the Methodist Church Wednesday afternoon in the ball game staged for the amusement of our visiting firemen by the score of 3 to 2.

"Monk" Hayden twirling for Baraca had the losers completely at his mercy from the second inning until the curtain fell—while Black, the Methodist slabman was constantly in cold water through poor support.

The Methodist team, known as the "Neverwases" scored twice in their half of the first and Baraca, known as the "Hasbeens," dittoed. A home run in the first by Deavers, the big Dreadnaught second baseman playing for Baraca, and the pretty stops made by Ikey Dreifus at first were the individual stars.

The Baraca outfit was trained and managed by Robert H. Cox, with Julian Poss as captain. The Methodists were handled by Claude W. Fletcher. An immense crowd turned out to see the game and every hit by either side caused a stir in the grand stand. The Baraca class had its "royal rooters" armed with a fog horn on the third base line to keep their men in good spirits.

Summary: Batteries; Baraca, Hayden and Cornell. Methodists, Black and Beacon. Struck out by Hayden, 8; by Black, 5. Hits off Hayden, 7, off Black, 8. Umpires, Messrs. Schafe and Deavers.

LURAY AND LEXINGTON WIN REEL CONTEST

Prize of $100 Goes to Luray for State Reel Races. Time, 30 1-5 Seconds.

EIGHT IN CONTEST.

Lexington Gets $50 Prize—Winner of Open-to-World Reel Races—Big Crowds Attend.

The results of the state reel races were as follows:

Luray, first. Time, 30 1-5 seconds.

Newport News, Eagle Engine Co., second. Time, 30 4-5 seconds.

Lexington, Harrisonburg and Staunton, tied for third. Time, 32 seconds.

Waynesboro, fourth. Time, 35 seconds.

Shenandoah, fifth. Time, 35 2-5 seconds.

Covington, sixth. Time, 37 seconds.

OPEN TO THE WORLD REEL RACES

Lexington, first. Time, 32 2-5 seconds.

Eagle Engine Company, No. 3, of Newport News, Va., made the best time of the entire number of companies entered in the reel races open to companies of the state, held on North Washington street this morning, but the man coupling the nozzle to the hose failed to make the required number of turns and the company was penalized four-fifths of a second, landing them in second place.

Luray retains the prize for the third consecutive year. The Luray company came down the speedway in great style, got the correct coupling at the plug and the nozzle and carried off the honors and incidentally the $100 prize, in 30 1-5 seconds.

Newport News finished second, with the official time being given out as 30 4-5 seconds. Staunton was the first company to run and they started before the timers had gotten into place, and because of the fact that all of the timekeepers were not on the finish line when Staunton crossed they were permitted to run the race over at the completion of the contest. Their best time was 32 seconds flat.

Only one accident marred the races and this was when the Covington company got under way and was coming down the street. One of the members of the company tripped and fell and the wheels of the reel ran over him. Another man then dropped out of the race, and because of improper connection of the nozzle they were penalized four seconds, making their official time 37 seconds.

Lexington, Harrisonburg and Staunton tied for second place in the contest, the official time for all three of these companies being 32 seconds. Considerable disappointment was expressed among the large crowd of spectators over the showing of the Harrisonburg aggregation, as they had been considerably touted up and looked like stiff competitors of Luray, who grabbed off the prize during the past two years previous to this convention.

The races were in charge of J. Frank Pettey, president of Columbia Engine Company, No. 4, of this city, and the timers were W. C. H. Wildt, J. E. Shinn and C. F. DeMoll, all of this city.

After the winners of the morning's races, Luray had been disqualified because their hose was not properly connected at the plug and the water blew it off, Lexington copped the prize of $50 offered for the fastest time in the open to the world races, held this afternoon and marked up the best time of the entire afternoon's contest, making the run and getting water through the nozzle of the hose in 32 2-5 seconds. The exact time of the run was 31 1 5, but the Lexington boys failed to take the required number of turns at the nozzle and were penalized 1

Excellent Parade Given By Firemen

Prizes Awarded in Respective Order, as Follows: Harrisonburg Shenandoah, District of Columbia, Annapolis and Covington.

THOUSANDS SEE PAGEANT

More Than 1,000 Firemen, Twenty Pieces of Apparatus, Six Bands, City Officials and Floats in Procession. Carnival Spirit Reigns at Night — Big Block Dance Feature.

The parade yesterday afternoon given by the thirty-fourth annual convention of the Virginia State Firemen's Association was a big success and one of the most credible ever given by that organization. King street, the main thoroughfare of the city, was packed with humanity and the passing pageant was lustily cheered. The firemen made a splendid appearance, garbed in their fancy colored uniforms and some wearing caps and some helmets.

Immediately following the parade the judges met at the office of Chief Marshal James M. Duncan and awarded the prizes as follows:

HARRISONBURG, VA., first prize of $100, with eighty-five men in line, for being the best appearing company, with the largest number of men and band. They wore red shirts and white trousers.

The second prize of $50 went to SHENANDOAH for the best appearing company in line without band. They had 45 me nin the parade, attired in natty maroon colored uniforms.

The third prize of $50 to the out-of-the-state company making the best appearance went, with apparatus, to the DISTRICT OF COLUMBIA, with 58 men in line, in charge of Batallion Chief C. W. Gill and Supt. of Machinery T. W. Robinson. They had three pieces of apparatus.

The fourth prize of $25 to the company out of the state from the greatest distance went to ANNAPOLIS, MD., with thirty-two men in line.

The judges' special prize of $25 was awarded to HAGERSTOWN, MD., and COVINGTON, VA., FIRE DEPARTMENT, with band, they having thirty-eight men in line.

A total of more than 1,000 firemen participated in the parade and there were six or seven bands in line, the procession being headed by the Citizens' Band. There were about twenty pieces of apparatus in the parade.

The judges of the contest were Judge Robinson Moncure, Aldermen F. F. Marbury and C. J. W. Summers, Councilman Nicholas J. Lawler and Col. Julian Y. Williams.

The parade was reviewed by the judges from the grandstand at King and Washington and also by the chief marshal, James M. Duncan. Among the distinguished visitors on the grandstand were Representative R. Walton Moore and sister, Miss Carrie Moore, together with a number of officers from Camp Humphreys.

Formation of parade follows:

First division—Platoon of police, in command of Chief Goods; Chief Marshal James M. Duncan; Chief of Staff George H. Evans and aids; 5th Engineers' Band and one company of 5th Engineers from Camp Humphreys; members of common council and the board of aldermen; police commissioners; State officers, Virginia Firemen's Association and Friendship veterans, in automobiles; Friendship olug catcher; Friendship reel and old Friendship engine, drawn by children.

Second division — Marshal C. W. Fletcher; Citizens' Band; fire commissioners, in automobile; Chief Ogden, of the Alexandria Fire Department; officers and members of No. 1 Company, on foot; Relief Truck, No. 1; Relief Motor Engine, No. 1; Relief Steamer, No. 1; supply wagon; officers and members of No. 4 Company, on foot; Columbia wagon, No. 4; Columbia Motor Engine, No. 4; Columbia Steamer, No. 4; officers and men No. 5 Company, on foot; Reliance wagon No. 5; Reliance Motor Engine, No. 5; Reliance Steamer, No. 5.

Third division—Marshal J. Randall Caton; Boy Scouts' Band from Washington; Washington Fire Department men, on foot, headed by Batallion Chief Gill; Washington Fire Department apparatus, headed by Supt. of Machinery Robinson and Mayor Thomas A. Fisher, in car; Cherrydale Fire Department, with four pieces of apparatus; Hagerstown men, on foot; Mount Rainier, Md., Fire Department; Annapolis Fire Department officers and men, on foot, with two pieces of apparatus.

Fourth division—Marshal, Capt. J. S. Douglas; Harrisonburg Band; Harrisonburg Fire Department; Fredericksburg Fire Department; Bureau of Engraving and Printing Band from Washington; Suffolk Fire Department; Clifton Forge Fire Department, and Hampton Fire Department.

Fifth division — Marshal, H. Noel Garner; Covington Band, Covington Fire Department; Lexington Fire Department; Waynesboro Fire Department; Luray Fire Department; Charlottesville Band; Charlottesville Fire Department; Shenandoah Fire Department; Eagle, Rescue and La France Fire Companies of Newport News; Front Royal Fire Department and decorated automobiles and floats.

Among the participating companies in the parade included Harrisonburg, 85; District of Columbia(58; Newport News 42; Hagerstown and band, 31; Covington and band, 38; Shenandoah, 39; Annapolis, 32; Suffolk, 26; Hampton, 29; Staunton, 24; Fredericksburg, 25; Charlottesville 23; Lexington, 26; Clifton Forge, 12; Waynesboro, 41; Cherrydale and apparatus, 18; and several other smaller companies.

All of the local fire companies, all attired in their attractive blue uniforms, also participated in the parade carrying in line more than 100 men.

The local firemen and their apparatus received praise on all side for the splendid showing made.

The old Friendship Fire Engine, of which company Gen. Washington was a member, was drawn by a rope pulled by little boys and girls wearing blue and buff sashes, Washington's colors. The reel of this company and plug catcher also were drawn by children.

The Columbia reel, always an attraction in Alexandria parades, held its fine reputation for artistic dress under the mastreful hand of Lucien Duffey. It was prettily decorated in purple, gold, yellow and white, and artificial ilies and helmets.

Annapolis, Md., certainy made a fine showing with their artificial floral ladder on the top of which was a miniature fireman with red shirt, blue trousers and black helmet.

The men carried this in chain like fashion, white cross bars being held above their shoulders with white cord.

Floats in the parade brought up the rear. There were floats from Bendheim's, Myers Bros., Premier Cleaners and Dyers, Star Clothing House, H. Friedlander, Proprietor, and West Motor Company, two. The Myers' Brothers float, which won the prize Wednesday, again attracted atteniton.

The float of Bendheim's was prettily and artistically decorated, with flags and bunting and on the rear was a Confederate flag and the top being covered with artificial flowers making a very pretty setting.

The block dance and mask carnival on Washington street between King and Prince last night attracted several thousands persons. Hundreds danced during the evening and there were many masked for the affair. The majority, however, did not mask. Both sides of the street was packed with humanity and things were lively until nearly midnight.

M. C. Thomas, of this city, was elected moderator, and John S. Battle, of the ocal bar, clerk and treasurer.

CHUMS DIE AS BOAT UPSETS.

WASHINGTON, August 27.—Miss Ruth D. Young and Miss Mary Carpinger, both of 2800 13th street northwest, were drowned in the Chesapeake and Ohio canal near High Island shortly after last midnight, according to reports which reached police headquarters at noon.

The details of the double tragedy have not been received by the police yet. It is understood the body of one of the girls was recovered, while the Virginia, Maryland and District authorities are still dragging for the other.

DISCUSS KEY BRIDGE

Representative Moore and Commissioner Kutz Address Clarendon Citizens

Several hundred residents of Clarendon and vicinity last night attended a "get together" meeting in the court house at Clarendon, under the auspices of the Arlington Chamber of Commerce, when District Commissioner Kutz and Representative R. Walton Moore, presented various plans whereby the District and nearby Virginia towns might be brought in closer touch with each other.

The principle matter of discussion was the effect that the new Key bridge will have. Commissioner Kutz presented a plan whereby an approach on the District side of the bridge, should be constructed, carrying traffic away from the crowded M street thoroughfare in Georgetown. His plan was the construction of a street from Thirty fourth and M streets, northwest to the K street bridge over Rock Creek. He also suggested that a highway be built to Clarendon, detouring Rosslyn, relieving congestion in that town. Water for Virginia, conducted over the Key bridge by means of a 20 inch main was also discussed. Present provisions in the specifications authorize the installation of the main. It was also suggested that the District handle Virginia sewage in a similar manner as that now in use for Maryland and suburban towns. Frank Lyon, president of the chamber of commerce, made the address of welcome.

CONVENTION NOTES

It's all over.

Once more normal.

Everybody enjoyed the fun.

The firemen had the time of their lives.

There was all kinds of dancing last night.

The confetti men and men selling ticklers sold completely out, at least the streets indicated it this morning.

Several hundred Washingtonians came over last night and took part in the carnival of fun.

One man had a cow bell tied to his ankle.

Bands got into automobiles and played until they couldn't.

Only a few were overcome by "jump steady."

"They ought to have something like this once a month to wake the town up" was the remark of a young man who apparently enjoyed the festivities.

Some of the young ladies appeared aggravated at the ticklers and confetti, but they really were not. Those on whom confetti was not thrown appeared disappointed.

Many of the firemen left last night for their homes.

By tomorrow morning there will be few of the visitors remaining in the city.

Firemen report this as one of the most successful conventions ever held and all say they enjoyed themselves more at this convention than any ever given.

The street sweepers were busy this morning clearing away the debris of last night's festivities.

A comfort station for women was established in the Young People's Building.

The participants in the parade were given a buffet luncheon at the armory immediately following the parade "Teddy" Desmond was in charge of the arrangements.

The removal of the decorations will begin tomorrow.

The decision of the judges in awarding the prizes was regarded as absolutely satisfactory.

The parade required 55 minutes to pass a given point.

Chief Marshal James M. Duncan was congratulated on the successful manner in which the parade was carried out.

Fire Chief Ogden has been some busy man since the firemen met.

Local firemen have been the recipients of congratulations on the general success of the convention.

Many of the visitors said they would like to hold the next convention here.

Not in recent years has the city been so prettily decorated as it was for this convention.

Noise, well the firemen certainly can make some.

Mayor Fisher rode with Supt. of Machinery T. W. Robinson, of the Washington Fire Department in the parade yesterday.

Lucien Duffey, a veteran member of the Columbia Fire Company, decorated the handsome reel of that company which was the most artistic piece of fire appartus in the parade.

Take Auto Suspects

Two Men Carried to Lima, Ohio—Woman Also Taken as Witness

Carl Kepner and Walter Wilhelm giving their address as Lima, Ohio charged with the larceny of an automobile beonging, to T. J. Harris cashier of the American National Bank, Lima, Ohio, stolen August 17 from in front of the Masonic Club in Lima, today were taken back to Lima by Police Sergt. M. F. Dawson who was accompanied by Police Judge Emmet E. Jackson. The officers also took along a young woman giving the name of Reah Reading, who claims Washington, Pa. as her home. The woman was taken in custody with the men arrested here August 23. There is no charge against the woman and it is expected she will simply be used as a witness.

The machine was taken back by H. J. Fast and wife, they having accompanied the officers here from Lima.

GOV. COX SAYS G O P QUOTA IS $8,165,000

Presents Data Designed to Show Assessments Levied on Fifty-one Cities.

RECORDS AS PROOF.

Reiterates in Pittsburgh Speech Purchase of Presidency Is Aim. 3,800 Cheer Him.

Pittsburgh, Pa., Aug. 27.—Information to support his charges that a Republican campaign fund exceeding $15,000,000 was being raised "in a conspiracy to buy the Presidency," was presented by Governor Cox, of Ohio, Democratic Presidential candidate, in addressing a public meeting here last night.

Governor's Cox's data consisted almost entirely of matter taken from the official bulletin of Fred W. Upham, of Chicago, treasurer of the Republican National Committee, but his chief exhibit was a typewritten list purporting to show Republican campaign quotas imposed on 51 principal cities in 27 states and aggregating $8,145,000.

Names of local subscribers, Governor Cox said, were ordered kept secret. These quotas, given as $2,000,000 for New York City, $750,000 for Chicago, $500,000 for Philadelphia, and ranging down to $25,000 for smaller cities, like Albany, N. Y. and Atlanta, Ga., were said by Governor Cox to have been announced about the middle of July.

That Senator Harding, his Republican opponent, "was acquainted with the details" of the quota plan and that it was also approved by Will H. Hays, chairman of the Republican National Committee, was charged by the Democratic candidate.

A capacity audience at Syria Mosque, said to have 3,800 seats, cheered and applause was heightened by tin horns hung at each seat, which greeted their approval of the Governor's statement.

As he read the list of cities' reported quotas Governor Cox, coming to the $60,000 set opposite to Dayton, Ohio, his home, interpreted:

"It will take 60 times $80,000 to carry Dayton."

The Governor also predicted that he would carry Ohio.

Governor Cox mixed into his prepared address humorous and sarcastic references to the reports of Republican subscriptions, and he laughed with the crowd at his thrusts.

Among the Governor's auditors were Wilbur W. Marsh, of Iowa, Democratic national treasurer; Ed H. Moore of Youngstown, Ohio, the Governor's pre convention manager; Joseph E. Guffey, Pennsylvania's national committeeman, and many other party notables.

Commenting on the reported "underwriting" of contribution quotas, Governor Cox suggested that a small group of men would guaranteed payment in the event of deficits in popular subscriptions.

"They'll need the money" Governor Cox interjected.

Besides declaring, as he concluded his statement on Republicans contributions, that he renewed his charges and accepted Mr. Hay's challenge, Governor Cox said:

"I prove the charges."

The Governor asked whether any one in the audience was not convinced. A man in the gallery stood up and shouted "Yes."

Cries of "Throw him out!" were stilled by Governor Cox, who asked the man to stand up, and insisted that he be given a hearing.

"Why are you not convinced?" asked the Governor.

"Because you have not named a single individual or a corporation that has contributed one penny," the man replied.

Amid considerable confusion Gov. Cox replied that the Republican leaders could produce the names of contributors.

"And if not I will continue to ask questions until November 2," the Governor added. "The facts will come out."

Governor Cox, standing staunchly by his charges that an attempt to purchase the Presidency was

PRAISE TREATMENT

Members of the Virginia State Firemen's Association are loud in their praise of the hospitable treatment they received while here.

In keeping with her past record Alexandria firemen and citizens generally left nothing undone along this line, the local firemen especially being active for many days previous to the coming of the visitors here.

That the thirty-fourth annual convention of the association will go down in the history of the association as one of the best and most successful ever held goes without saying and the visitors will carry back with them memories of a most pleasant visit to Alexandria and doubtless will again want to come to Alexandria.

A TRIUMPH FOR THE ROCKING CHAIR

How many times has the rocking chair been derided. How many times have foreign critics made fun of Americans for the rocking chair habit! Yet, here comes the French Academy of Sciences with a word of decisive approval. The rocking chair, we are told, is the most hygienic of seats.

Its popularity on the piazza of the summer hotel is thus explained and justified. Its occupants, too often ridiculed as scorners of exercise, are now seen to be enthusiastic health seekers. Like the doughnut this other American invention now takes its place as one of the bulwarks of civilization.

AND NOW THE WOMEN MAY VOTE

Proclamation by Secretary of State Colby that the suffrage amendment to the Constitution has been ratified gives the ballot to all women who come within the qualifications exacted of men.

There is but one possible obstacle that may stand in the way. The constitutionality of the action of the Tennessee Legislature is to be attacked in the Supreme Court, but it is not at all likely that a decision can be rendered before the November election, hence in every State where women do not already enjoy the voting privilege steps will be taken to see that all who desire it shall have their names on the registration lists.

Many thousands will vote. Many other thousands will refuse to go to the polls. It is a matter of choice But the fact remains that equal suffrage is now the law of the land It has been a long time coming, but it is here.

IN MEMORIAM

In sad but loving remembrance of my dear mother, MARY KICHERER who departed this life 38 years ago yesterday, August 26, 1883.

I often sit and think of you,
When I am all alone;
For memory is the only friend,
That grief can call its own.
Days of sorrow, still, come o'er me
Tears of sadness silently flow,
Fond memory keeps mother dear,
near me,
Though Heaven claimed her 38
years ago.

being made, declared that "the Senatorial oligarchy and their friends are harking back to the days of 'Mark Hanna,' stating that in the 1896 campaign, which Mr. Hanna managed, $16,500,000 was spent.

"It was this foul thing," said Governor Cox," which Theodore Roosevelt brought to an end when he reformed the Republican party. When he was doing it, Warren G. Harding branded him as an Aaron Burr."

"I charge again an assault on the electorate," said Governor Cox. "It can't be hidden; the hosts are marshaled; the money ammunition, is prepared, but it will not succeed. The net is spread in sight of the quarry.

"What is the game except to befool the public mind on the subject of the League of Nations issue and world peace?"

From subsequent issues of the Official Bulletin, Governor Cox quoted many reports from Republican workers throughout the country, reporting going 'over the top" and in excess of the alleged quotas.

Announcement of the $8,145,000 metropolitan quotas, Governor Cox said, was made by Harry M. Blair, assistant to Treasurer Upham. A meeting was held in Chicago, Governor Cox said, at which Chairman Hays "spoke his blessings."

RAILWAY WAGE AND RATE INCREASES

Since the recent order of the Interstate Commerce Commission, authorizing the railways of the country to advance freight rates and passenger fares, came only a few days after the award of the Railway Labor Board, giving increased wages to certain classes of railway employes, there has been a tendency in some quarters to confuse the two. A few days ago a Southern editor was asked: "If the railway employees receive an increase in wages amounting to $625,000,000.00 and rates are advanced so as to yield $1,500,000,000.00 what becomes of the difference?"

The difference goes to help the railways meet previous increases in wages which were granted by the United States Railroad Administration to pay increased prices for fuel, ross ties, bridge timber, steel rails and other materials of which the railways use large quantities and, after paying these increased costs, to yield a fair return on the value of the railway property, devoted to transportation purposes. Such a return is absolutely necessary if the railways are to be able to attract new capital. This must be had to provide the additional facilities which are badly needed the country over but particularly in the South where there has been such a great increase in commercial activity.

The petition of the railways for increased rates was filed in May, long before the award of the Labor Board, and showed that at that time many railways were not earning their operating expenses. After the award of the Labor Board was announced, the railways filed a supplemental petition asking further increases to meet with additional expense and the decision of the commission was rendered after considering both petitions.

$500 IS BID TO BREAK HABIT OF BAD HABIT

Sacramento, Calif., August [illegible] announcement of a reward of $500 for the arrest of the [illegible] who has fallen into the habit of holding up the stage between Cedar Brook and Miami, in the mountains near Yosemite National Park, was posted today upon orders of Gov. Stephens.

The robbery of the stage between Cedar Brook and Miami, according to Sheriff John Barnett, of Madera county, in which those points are located, has occurred annually for the past twenty-two years. He added the opinion that the man who originated the custom was succeeded about 12 years ago by a bolder and more elusive outlaw.

The twenty-second annual holdup occurred July 24, providing thrills for four automobile loads of tourists bound for Yosemite Valley. One automobile contained a party of Boy Scouts from New York, whose money the bandit jovially declined.

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of Chas. H. Fletcher and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

SHERWIN-WILLIAMS HOUSE PAINT SWP

How SWP cuts painting cost

The only way to buy paint economically is to *forget gallon price* and figure costs by area covered and years of life.

S W P covers one-third more area than paints which are cheaper per gallon. It lasts twice as long without repainting, so requires half the *material* and costs half the labor price (for painting and repainting).

So price per gallon means nothing. Area covered, weather resistance, and years of life are the real things that determine price economy. On that basis S W P is the cheapest per-gallon outside paint you could buy.

S W P has been the leading prepared house paint for half a century. You will find a complete line of it at our store. Let us figure with you on your house-painting.

GIRLS! MAKE A LEMON BLEACH

Lemons Whiten and Double Beauty of the Skin

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White which can be had at any drug store, shake well and you have a quarter pint of harmless and delightful lemon bleach for few cents.

Massage this sweetly fragrant lotion into the face, neck, arms and hands each day, then shortly note the beauty of your skin.

Famous stage beauties use lemon juice to bleach and bring that soft, clear, rosy-white complexion. Lemons have always been used as a freckle, sunburn and tan remover. Make this up and try it.

CALOMEL DYING FAST IN SOUTH

"Dodson's Liver Tone" is Taking the Place of Dangerous Sickening Drug

You're bilious, sluggish, constipated and believe you need vile, dangerous calomel to start your liver and clean your bowels.

Here's Dodson's guarantee! Ask your druggist for a bottle of Dodson's Liver Tone and take a spoonful tonight. If it doesn't start your liver and straighten you right up better than calomel and without griping or making you sick I want you to go back to the store and get your money.

Take calomel today and tomorrow you will feel weak and sick and nauseated. Don't lose a day's work. Take a spoonful of harmless, vegetable Dodson's Liver Tone tonight and wake up feeling great. It's perfectly harmless, so give it to your children any time. It can't salivate so let them eat anything after wards.

YOUR RED CROSS

The American Red Cross, by its Congressional charter, is officially designated:

To furnish volunteer aid to the sick and wounded of armies in time of war, in accordance with the conventions of Geneva.

To act in matters of voluntary relief and as a medium of communication between the American people and their Army and Navy.

To continue and carry on a system of national and international relief in time of peace and to apply the same in mitigating the sufferings caused by pestilence, famine, fire, floods and other great calamities.

To devise and carry on measures for preventing these causes of suffering.

FIRST AID TRAINING TO MEN AND WOMEN

American Red Cross Is Teaching Hundreds of Thousands Life-Saving Methods.

The purpose of instruction in First Aid to the injured offered by the American Red Cross is to train men and women to administer First Aid treatment promptly and intelligently when emergencies demand it. First Aid treatment is not intended to take the place of a physician's service. A surgeon should always be summoned as a precautionary measure where there is an injury of any consequence, but when one cannot be secured a few minutes' delay may mean a fatality. In such a case a person trained in First Aid is invaluable not only to the individual, but through him to the community in which he lives.

There is perhaps no way of ascertaining the number of deaths or serious disablements which result from lack of proper safeguards or prompt emergency treatment. It is safe to assert they number thousands daily. There can be no doubt that the application of First Aid methods to each case would immeasurably lighten the country's toll of suffering and death.

The dissemination of First Aid training and information has already produced a farreaching and beneficial influence in the prevention of accidents on railroads, in mines and in great industrial concerns.

The benefit of a widespread knowledge of First Aid in the event of a great disaster, such as a train wreck, an explosion, an earthquake, etc., is obvious. Laymen who have had First Aid training can render efficient assistance. Many lives may depend upon such emergency care.

Red Cross First Aid work includes (1) the formation and conduct, through Red Cross chapters, of classes for instruction in accident prevention and First Aid to the injured among men and women in all communities and in every industry; (2) the introduction of courses of instruction in high schools and colleges.

The Red Cross is prepared to supply First Aid books and equipment at reasonable prices.

Every person in this country able to do so should, in his own interest, receive Red Cross First Aid instruction. Information about the course and instruction classes may be had at the nearest chapter headquarters.

RED CROSS EXTENDS RELIEF TO POLAND

More than $5,000,000 has been spent by the American Red Cross in aiding the stricken people of Poland. The organization has nursed the sick, fed the starving, clothed the naked, sheltered the homeless, schooled the children and cared for the orphans there. It has conducted a relentless fight against typhus, cholera and other terrible diseases. So today millions of men and women in that resurrected nation speak in grateful appreciation of "The Greatest Mother in the World."

Nearly 200 American Red Cross workers are now engaged in relief activities in Poland. Four large relief bases are in operation and seven mobile units are in the field. During the last twelve months this organization was largely instrumental in the re-establishment of a million refugees at a cost for general relief of more than $1,000,000. Last winter one-half million war orphans were aided materially, and since then a series of large orphanages have been established to give them permanent care.

But for American Red Cross aid, officials of Poland declared recently, millions of people in that country would have perished of disease, exposure or starvation the last eighteen months. And the work there must be kept up for another year.

Rheumatism Comes From Tiny Pain Demons

Disease Caused by Germs in the Blood.

Medical scientists differ as to the causes of every form of rheumatism, but agree that when caused by a tiny disease germ, the only effective method of treatment, is to attack the disease at its source, and cleanses the blood of its cause.

This is why S. S. S., the greatest known blood purifier is so successful in the treatment of Rheumatism. It is a powerful cleanser of the blood, and will remove the disease germs that cause your Rheumatism, affording relief that is genuine.

S. S. S. is sold by all druggists. Free literature and medical advice can be had by writing to Chief Medical Adviser, Swift Laboratory, Atlanta, Ga.

COUNCIL MEATS

Better Meats That Cost Less
No Waste · Always Tender
Ready-Cooked To Perfection

Get Dinner Ready in 10 Minutes and Save 1/4 of Your Meat Bill

SAVE yourself the tiring work of preparing meat in a hot kitchen—and at the same time give your family better meals.

One-fourth to one-half of the uncooked meat you buy is waste—then you have to prepare it and a lot of the weight is lost in cooking.

When you buy a pound of meat for dinner you actually put about one-half pound of real meat on the table.

When you buy a 12 ounce can of Council Meat you actually give your family 12 ounces of the finest of well cooked meat.

For breakfast try Council Dried Beef creamed, or Council Vienna Style Sausage, or country sausage meat. For dinner—Council Roast Beef, or roast mutton, or hamburger steak and onions.

For lunch or supper—corned beef hash or deviled ham or baked beans—in fact, the Council line is so varied that you can have something for every meal in the week, and save work and money.

Here are the meats that cost less and save work

HAMBURGER STEAK AND ONIONS For 2—25c	ROAST BEEF For 2—40c
GENUINE DEVILED TONGUE For 2—25c	CORNED BEEF HASH For 1—20c

EXCELLENT PARADE GIVEN BY FIREMEN

(Continued from Page One)

Confetti was thrown and ticklers were in evidence. Many of the firemen took part in the festivities.

King street presented a carnival scene with the thousands who thronged that thoroughfare ringing bells, blowing horns, throwing confetti and noise making in particular being in order.

Following the parade yesterday afternoon an aerial truck of the Washington Fire Department gave an exhibition in front of the residence of Mayor Fisher on north Columbus street.

The exhibition attracted a large throng. The various sized ladders were used showing how the firemen can save their lives as well as those in a fire by means of this ladder and blanket. Firemen jumped to the safety blanket from the top of the various sized ladders. The exhibition was under the direction of Superintendent of Machinery T. W. Robinson.

LURAY AND LEXINGTON WIN REEL CONTEST

(Continued from Page One)

second.

Perhaps the most interesting race of the entire afternoon was the impromptu race arranged for sprinters of the various teams, in which eight contestants took part. Carl Dreifus star first baseman of the Dreadnaught A. C., entered for Columbia No. 4, of this city, and won the prize awarded, covering the distance of 100 yards in 10 seconds flat. He was hard pushed by Barley, of Lexington, and finished with but a shade over the visiting runner.

The other contestants in this race were Russell, of Hagerstown, Md Caves of Harrisonburg, Seibert of Luray Griffith, of Shenandoah Houchens, of Covington, and McArthur, of Newport News.

The following are the official results of the afternoon's races:

Lexington, first. Time, 32 2 5.

Eagle Engine Co., of Newport News, second. Time, 33 seconds.

Staunton, third. Time, 34 seconds

Shenandoah, fourth. Time, 34 2-5.

Hagerstown, Md., fifth.—Time, 35 seconds.

Luray disqualified, Improper connection at plug.

Harrisonburg, sixth. Time 38 seconds.

Covington, seventh. Time, 39 seconds.

100 yard dash. Dreifus, of No. 4. Alexandria, first.

Barley, Lexington, second. Time 10 seconds fat.

PROHIBITION STARTS HISTORIC TOWN ON TRAIL SALOONS HAVE TRAVELED.

Upper Marlborough, Md., Aug. 26.—This town, one of the oldest in the United States and county seat of Prince Georges county, is in danger of going out of business completely The town fathers have made up their minds that they cannot run the community on the present revenue of $200 a year, and they are going to petition the Maryland Legislature on the subject.

Before prohibition went into effect Upper Marlborough was a favorite rendezvous for tired statesmen from Washington. It is only twenty miles from the eastern end of Pennsylvania avenue. Maryland fried chicken, hoe cake and other delectable dishes used to be served here, along with the delectable wet goods. There was an inviting, old-fashioned tavern on nearly every street corner and the town retained 75 per cent of the liquor tax under the state law. Since the town lost the tax it lost inhabitants, customers, liquor, prestige and faces bankruptcy.

The British soldiers rested here on their way to burn the Capitol and White House in the War of 1812.

SLAIN WOMAN'S HUSBAND HELD

Palisades Victim Identified as Mrs. Blanche Schulz, Burlesque Actress

New York, Aug. 27.—The battered, bloodstained body of the murdered woman found on the Palisades last night was identified today by a sister and husband of the victim. A few hours after the identification. Frank Schulz, the husband, was arrested as a material witness, Schulz' story was incoherent, and he told different stories to police, reporters and his landlady, it is said.

The woman, formerly Blanche Frien of Poughkeepsie, a burlesque actress, is said to have been a lover of fine clothes and night life. Following an autopsy yesterday afternoon it was decided that the woman was murdered last Saturday. The theory most credited here is that she went to the Palisades in an automobile accompanied by someone bent on doing away with her. She was killed with a blunt instrument while her back was turned.

Mrs. Otto Widner, sister, of Blanche, identified the body by birthmarks and clothing. Schulz confirmed the identification. He told the police that his wife had disappeared Saturday with $550 and jewels, but his landady said that he knew where his wife was and was going to meet her in order to take her to Keyport with him. He told a similar story to his brother-in-law and to reporters.

HUNGRY POLISH ENVOYS ASK WARSAW FOR FOOD

Warsaw, Aug. 27.—The Polish peace delegates at Minsk are hungry. An urgent appeal has been received by the Ministry of Foreign Affairs asking that food be sent immediately to the delegates. The message asserts that the delegates are eager for any kind of food, but they desire non-perishable varieties.

As an indication that the Minsk Conference may continue indefinitely, preparations are being made to send there five young women stenographers, who have been asked for by the delegates. Five of the women will go from the Ministry of Foreign Affairs. They will take plenty of food for themselves and also supplies for the Polish delegates.

SHOT TO DEATH IN CAMP

Danville, Va., Aug. 27.—A negro who shot and wounded James Baptist was cornered and shot to death in a camp near here yesterday, according to word brought back from a posse which pursued the man. Before the negro was killed he wounded a member of the posse.

The shooting of Baptist, a wealthy resident of Halifax county, occurred at Buffalo Lithia Springs.

Broke Jail During Absence of Sherif

Winchester, Va., Aug. 27—Dewey Elliott broke jail here ast night during the temporary absence of Sheriff Pannett, and although his absence was discovered in a short time, an all night search failed to disclose his whereabouts. He had been convicted of stealing a large quantity of meat, and was to have been taken to the State convict road force today.

Winchester, Aug. 27.—Wrenching a pipe from the radiator and prying open his cell door, Dewey Elliott escaped from jail here last night.

AMERICANS BIGGEST USERS OF RAILROADS; SERVICE HERE FAR OUTSTRIPS EUROPE

The railways of the United States in point of actual railway service lead the world. Americans buy more railway service, and a greater amount of transportation is supplied and used in the United States than in any other country.

According to statistics prepared by the Bureau of Railway Economics, the ton miles per capita carried by United States railroads in 1913 were almost five times the ton miles per capita carried by Germany, which was second to the United States in this respect. The ton miles per capita carried by the United States railroads in 1913 were 3,101. In Germany the ton miles per capita carried by the railroads were 631 and in France 447.

Since 1913 the increase in ton miles per capita carried by the railroads of the United States was more than the total carried by either of the two other countries in that year. In comparison with the total of 631 carried by the railroads in Germany and the total of 447 carried by the railroads in France the increase carried by the railroads in the United States since 1913 was 750 ton miles per capita.

The chart below shows the transportation supplied in the United States, Germany and France in 1913 and the increase in railroad service in the United States since 1913

SPORTS

The Linworth Athletic Club base ball team, which broke the winning streak of the crack Knickerbocker nine of Georgetown, will play the Cardinal Athletic Club lads on the North Alfred street grounds, Sunday, August 29, at 3 p.m.

The visitors will use their best players in an effort to defeat the Cardinals, but the home warriors are prepared for them and will keep them busy during the nine innings of play. The line-up of the Cardinals will be selected from the best ball players on the team.

The third and deciding game between the Cardinal Athletic Club and Clarendon Athletic Club base ball teams for the amateur independent base ball championship of northern Virginia will be played in the American League Park, Washington, Saturday, September 11, at 3 p.m. Each team has won a game and the final contest is sure to be a grand base ball battle from start to finish, as the strongest base ball stars on these well known and popular Virginia aggregations will be used in the line-ups. The price of admission to any seat in the American League Park for the Cardinal-Clarendon game has been fixed at 55 cents, including war tax.

GREETINGS TO K. OF C.

Lloyd George Sends Best Wishes to U. S. Delegates.

Como, Italy, August 26. — David Lloyd George, the British Prime Minister, sent a letter of greeting to the American Knights of Columbus when they were leaving Lucerne this morning.

"You have my best wishes and my sincere hope that your tour will continue to be a successful and a happy one," said the message of Mr. Lloyd George.

Baron George Riddell, the Premier's spokesman, informed the Knights that they might visit Ireland whenever they desire. The program of the Knights today included visits to Milan and Florence. Tomorrow they will proceed to Rome.

Spree Employes Wreck $2,000,000 Munitions Taken by Entente

London, August 27.—Munitions and hydroairplanes valued at nearly $2,000,000, which recently were confiscated by the Entente commission in the Pintsche works on the Spree river, were destroyed Thursday evening by the 3,000 employes of the plant, many of whom are communists, says a Berlin dispatch to the London Times.

The Reichswehr was summoned out, but proved powerless to act. The government is sending representatives to the scene.

COST OF WORLD WAR IN LIVES IS ESTIMATED AT 35,320,000

Washington, Aug. 27.—The cost of the European war in real and potential lives was equal to one-third the present population of the United States, according to a report received by the American Red Cross today from the Society for Studying the Social Consequences of the War, of Copenhagen.

This organization reports the human loss at 35,320,000 persons.

Of the loss, 9,819,000 are listed as "killed in war."

When the war started in 1914, the fighting nations had a total population of 400,850,000. Under normal conditions, it was said, this population would have increased during the war period to 424,210,000. Instead, there was a decrease resulting from the war, so the total at the end was 389,030,000.

In addition to those who died as the direct result of the war, 5,301,000 additional deaths were due to war epidemics and economics blockades. The fall in the birth rate, due to the mobilization of 56,000,000 men between the ages of 20 and 45, was 20,200,000. The three totals make the grand total of 35,320,000.

The countries included in the investigation were Great Britain, Germany, France, Austria, Hungary, Italy, Belgium, Bulgaria, Roumania Serbia and Russia in Europe.

FOOD TO DROP STILL LOWER

Chicago Dealers Predict Decline in Leather and Clothing as Well

Chicago, Aug. 27.—"Food prices will reach still lower levels," Sol Westerfield, chairman of the executive committee of the retail food distributors, said here today.

"There possibly will be exceptions, but foodstuffs in general will go down" he asserted, predicting the downward tendency would be felt in grain products, leather goods and clothing materials.

RED CROSS RELIEF IN CENTRAL EUROPE

But for timely assistance of the American Red Cross during the last year, a large proportion of the 20,000,000 population of the Balkan States might have starved or perished from disease or exposure. Six million dollars worth of food, clothing and medical supplies have been sent to the Balkans—Roumania, Bulgaria, Albania, Montenegro, Serbia, Bosnia and Greece—since the beginning of Red Cross relief operations in Central Europe, while millions of dollars worth of food alone has been sent to the needy in these states.

The money expended by the Red Cross in this stricken portion of Europe has been used to set up hospitals, orphanages, dispensaries, mobile medical units and to help in the general reconstruction of devastated areas. American tractors and other farming implements have been sent to the agricultural regions where aid has been given in plowing the land.

By the last of this year probably all American Red Cross agencies administering relief in Central Europe will have withdrawn. By that time, it is believed, the people will have approached a normal state of living and will be able through their own agencies which the Red Cross has helped set up to provide for themselves
